Title: Painted Caves

Author: Lord Robb

Painted Caves
(Felucca/Trammel - 120°
29' South 27° 29' East

series of small caves
which interconnect with
one another serve as the
home of troglodytes and
their domesticated pets.
Gathering and meeting
places are larger caverns
with primitively decorated
floors and walls. Living
within the cave system
are troglodytes, dogs,
giant rats, rats, and
black bears.
